

GENERAL INFORMATION

Selected qualified applicants will proceed through a process of testing and training to develop the skills and knowledge necessary to conduct basic Class 5 driver examinations to provincial standards.

Alberta Transportation, Driver Programs and Licensing Standards has a mandate to promote the safety of all those who share the streets and highways. Driver Examiners are required to commit to upholding a Code of Conduct and Ethics.

Driver Examiners must establish an affiliation with an Alberta Registry Agent or Agents. The expected number of examinations and remuneration of pay will vary depending on market demand. Alberta Transportation does not guarantee employment of an Examiner.
